Ms. Lillian’s dress is named for our sewing celebrity, Lillian Weber, who set a personal goal to sew 1000 dresses by her 100th birthday. She not only reached her goal but surpassed it to make 1,234 dresses before passing away on the eve of her 101st birthday. Her legacy continues through the Ms. Lillian Dress pattern.

INSTRUCTIONS
Note: Use 1/4” seams unless otherwise stated.

1 Prepare pattern.

     • Connect markings, and add a ¼” seam allowance to the diagonal line.
     • Mark “Cut two on fold” on the Sleeve pattern.

     • Draw a 5” x 10” rectangle.

3 Cut patterns from fabric.
   • Cut two of each pattern piece by placing the patterns on the double folded edge of the fabric.
   • Place the ruffle pattern on the double folded edge of the fabric twice cutting a total of 4 ruffle sections. Diagram 8

4 Press a ¾” hem in each sleeve. Open hem and press edge to the hemline (about ¾”). This process will make hemming easier later.

5 Stitch the sleeves to the front and back at neck opening stopping stitching ¾” from armhole edges. Press seams open.

6 Stitch bias tape around neckline opening to form casing for elastic.
   • Open out folded edge on one side of the bias.
   • Turn and press under the short edge at beginning of bias tape ¼”, toward the wrong side.
   • Start at center back, and place raw edge of bias at raw edge of neckline, right sides together. Stitch to neckline.
   • Stop stitching a few inches from the beginning edge of the bias. Trim excess length, leaving enough to turn under ¼” and meet the beginning and ending edges of the bias. Diagram 9
   • Complete stitching the bias. Press bias to the wrong side of the neckline and topstitch in position to form the casing. Diagram 10

7 Stitch front and back together at side seams. Finish seams if desired. Press seams open.

8 Hem sleeves.
   • Fold up pre-pressed hems to wrong side of sleeves.
   • Topstitch hems into position.

9 Complete elastic casing at neckline.
   • Thread ¼” elastic through the neckline and casing at the opening in the back of the casing.
   • Stitch elastic ends together. Ease neckline gathers evenly around the neckline.

10 Complete ruffle.
   • Stitch ruffle ends to make a complete circle.
   • Hem the lower edge by turning up a double-folded ¼” hem, press. Edge stitch.
   • Gather the top raw edge of the ruffle using your favorite gathering method.

11 Join the top ruffle to bottom of dress, right sides together, adjusting gathers to fit. Stitch ruffle in place, using a ½” to ¾” seam.

Get creative by adding pockets or trim to the dress for an extra special touch!

Note from Nancy: I like to use Fuse ‘N Gather tape for gathering. The results are fast and easy to accomplish. Press Fuse ‘N Gather with blue threads facing up to the top edge of the wrong side of the ruffle fabric. Pull blue threads to gather. Diagram 10
